

# Newfoundland and Labrador Association Of Medical Radiation Technologists

## Student Membership Application

The Canadian Association of Medical Radiation Technologists (CAMRT) is the national certifying body and professional association of Canadian medical radiation technologists (MRT's). As a student member of your provincial MRT association, you automatically become a student member of CAMRT at no additional fee. For more information about CAMRT, please visit their website at [www.camrt.ca](http://www.camrt.ca). CAMRT respects your privacy and your personal information will be treated in accordance with CAMRT's privacy policy, found on their website under "About CAMRT". If you wish to decline this membership, please contact the CAMRT Registrar by email:

Please fill out the enclosed form and return it to:
