

Newfoundland and Labrador Association Of Medical Radiation Technologists

Registrar's Report 2010-2011

As of March 31st, 2011, there are 344 active members of the NLAMRT. In May 2010, there were 16 candidates who wrote the CAMRT certification exam. 12 successfully completed the Radiological Technology exam and 1 completed the Nuclear Medicine exam. There were 3 unsuccessful candidates.

In September 2010, 4 candidates wrote the CAMRT certification exam. 3 successfully completed the Magnetic Resonance exam. There was 1 unsuccessful candidate.

In January 2011, 1 candidate wrote the CAMRT certification exam and was successful in completing the Radiological Technology exam.

All students have been successful in finding employment within the province. Congratulations to all.

This past year, I made the final data submission to the Canadian Institute for Health Information (CIHI). Thank you to all who submitted their information to help make the data submission as accurate as possible.

Respectfully submitted

Arlene Collins RTR
Secretary NLAMRT
